

# TOFWW Cycling Weekend – Apr. 21-23, 2017

Though we didn't get the type of numbers we needed to put on the 2017 Tour of Walla Walla, we know folks out there who are still planning to come and visit. There's no race, but that can't stop us from riding! Please join us for the weekend as we reload for next year's events. Walla Walla is an excellent place to ride in April, and it appears spring has finally arrived, which means lots of sunshine! Take a look at our informal event schedule below, and join us for all or part of the weekend!

## Friday, April 21

**10AM:** Luckenbill Loop Group Ride

**Ride Leader:** Justin Bannerman

**Route Map:** <https://ridewithgps.com/routes/19965834>

Other Friday events around Walla Walla can be found on our [Calendar of Events](#) @ <http://www.wallawalla.org/cyclingweekend/>

## Saturday, April 22

**8AM:** We're grabbing breakfast at Maple Counter Café! This business sponsors our race teams, and the food is off the charts! Join us if you're able!

**10AM:** Kellogg-Hollow Race Course Group Ride

**Ride Leaders:** Michael Austin and Steve Rapp

**Route Map:** <https://ridewithgps.com/routes/19964612>.

This ride will have a shorter bail-out option led by Steve. The group will roll together from Walla Walla to Waitsburg and then split after hooking up with the McKay Alto race course. Shorter loop will be 42 miles, longer loop 79 miles.

**6:30PM:** We're hitting up our other team sponsor, Wingman Birdz and Brewz, for dinner and beer! Just like breakfast, this is totally informal and optional, but let's send some business their way and treat ourselves to some well-earned food and libations after the day's ride!

Other Saturday events around Walla Walla can be found on our [Calendar of Events](#)  
<http://www.wallawalla.org/cyclingweekend/>

## Sunday, April 23

**10AM:** Harris Park Group Ride

**Ride Leader:** Matt Faunt

**Route Map:** <https://ridewithgps.com/routes/19965123>.

This ride will be shorter and quicker to get folks who are headed home a chance to leave town in time. Close out the weekend on one of the most popular rides in the Walla Walla valley!

Because it will be impossible to know who will be coming into Walla Walla for these rides, the pace is determined by the number of riders and group dynamics, come and ride!

Other Sunday events around Walla Walla can be found on our [Calendar of Events](#)
